

To Whom it May Concern: September 1, 2011

Linda Love has worked for my sister and me for over ten years, and we have been very satisfied with her cleaning service.

We have a condo in Sun Valley . She cleans and checks it for security when we are out of town. She uses good cleaning products, knows how to take care of kitchen appliances, floors, and we have never had anything broken or missing. Linda is loyal and hard-working.

We recommend her and her services. If you need to talk with me personally she can give you my phone number.

To Whom It May Concern,

Linda Love has cleaned our Villager condo for three years and also checks on it when we are gone.

Linda is very dependable and reliable. She does a good job cleaning and we've had no problems with our condo while under Linda's care.

I would recommend Linda as an honest person you can trust for cleaning and looking after your condo or home.

Sincerely,
Virginia Smith

To Whom It May Concern:

Linda Love has cleaned our offices for over 4 years, and has always done a very good, thorough job cleaning for our staff of over 30 employees. She and her crew have also done a yearly deep-clean, and we could not be more pleased with her work. Linda is very reliable and takes pride in her work.

I am happy to recommend her to future employers.
